Warnings

Ensure that the mounting location and fasteners can support at least 4 times the weight of all the installed cabinets, auxiliary equipment and cables.

Use only the provided screws (thread lock coated) and accessories.

Assemble

Remove the screws on both sides. Assemble the Plates on each side of eLS600 using the M10x20 screws.

Place the assembly below the frame plate. Remove the screws on both sides of ePS10. Place ePS10, fasten with M10x20 and M6x25 screws.

Pay attention to the mounting direction, see the mark on the top frame. Fasten the M10x30 screws.
